ATTN Ms. Sujata Dhungel

Dear Ms. Dhungel,

We at ETC thank you very much for your gift of \$15,656.00, which we received on 11/25/2015.

In the aftermath of the major earthquakes and frequent aftershocks during the spring and summer of 2015, ETC responded quickly to meet more than 1,000 village families' immediate and urgent need for shelter. We also ensured that more than 3,000 children could get back to school as soon as possible, by providing building materials for temporary classrooms and distributing school supplies to replace those destroyed when homes and schools collapsed in the spring.

Because we were able to respond so quickly and effectively, we have been able to resume our usual work much sooner than had initially seemed possible. Kitchen gardens and agricultural training activities are up and running again. Women's groups are meeting, and members are gaining skills that will be more important now than ever, as they seek to rebuild their home and their lives better than before.

None of this would have been possible without the generous support of people like you. We thank you once again.

Sincerely,

Lisa Lyons
